Dee Ann Reisinger

she/her ∨ they/them

229 Buckingham Place, Floor 3
Philadelphia, PA 19104

Mobile: 240-595-8231

Email: dreisinger@brynmawr.edu

Education

2021–Present	PhD in Mathematics, Bryn Mawr College; *Advisor: Lisa Traynor*
2013–2015	MA in Cognitive Science, Johns Hopkins University
2010–2013	BS in Mathematics, University of Evansville

Research interests

Symplectic and Contact Topology; Algebraic Geometry; Mathematical Physics; Homological Mirror Symmetry

Relevant coursework

Topology (General, Differential, Algebraic), Analysis (Real, Complex), Algebra

Sponsored workshop attendances

June/July 2023	Introduction to Derived Algebraic Geometry, MSRI/SLMath Summer Graduate School, University of California Berkeley (Website: https://www.msri.org/summer_schools/992)
January 2023	Spring Opportunities Workshop, Institute for Advanced Study, Princeton, NJ; supported by the NSF (Website: https://www.ias.edu/math/events/so)
August 2022	SYNC Early Career Workshop, University of California Davis; supported by *NSF CAREER* program (Website: https://sites.google.com/view/sync-early-career-workshop/home)

Teaching assistantships

Fall 2021	Real Analysis I
Spring 2022	Intro to Probability
Fall 2022	General Topology
Spring 2023	Abstract Algebra II

Presentations

Spring 2022	"Turning over a new sheaf in Legendrian knot invariants: A beginner's perspective." Graduate Research Seminar, Department of Mathematics, Bryn Mawr College.
